

SY Aquila

► The yacht

A comfortable trimaran with excellent diving facilities

► Cruising Area

Thailand, Malaysia, Andaman Islands, Burma/Myanmar

► Highlights

Get there in style and sail in tranquility! Aquila is as flexible as your holiday dreams are. Is it just a one day trip to Raja Island, an extended trip to Burma (Myanmar) or Malaysia, to the Similan Islands? Or spending a weekend in Phi Phi - famous for the film "The Beach".

Or just have a sunset cruise to Patong. Aquila is fully equipped for great scuba-diving trips.

The layout of the yacht with the three separate hulls offers a large living area both above and below decks, with good privacy in the separate cabins. Aquila is ready for you!

► Accommodation

The yacht features four double cabins. The State Room and the 2 King Cabins have en-suite bathroom and shower facilities. The Master Cabin is located in the aft section of the main hull and has a separate entrance. All cabins are well-ventilated with electric fans and opening hatches. Additionally there are 3 single berths. Being a trimaran, with cabins in 3 different hulls, Aquila offers her guests lots of privacy.

Inside you find the galley and covered dining-reading area connecting to a separate deck house where the helm station and another single berth is located.

The saloon is spacious with a u-shaped, light-tinted leather settee set around a central table. 9 Persons

Aquila had a major overhaul in December 2006 and is fully furnished for comfortable charter cruises. The interior is light and airy, with lots of whites and nice wooden trimmings.

Above decks

Aquila is very spacious with her three separate hulls and wide decks. The netting between the hulls make a great place to relax during passages, read your book, or perhaps take an after lunch nap

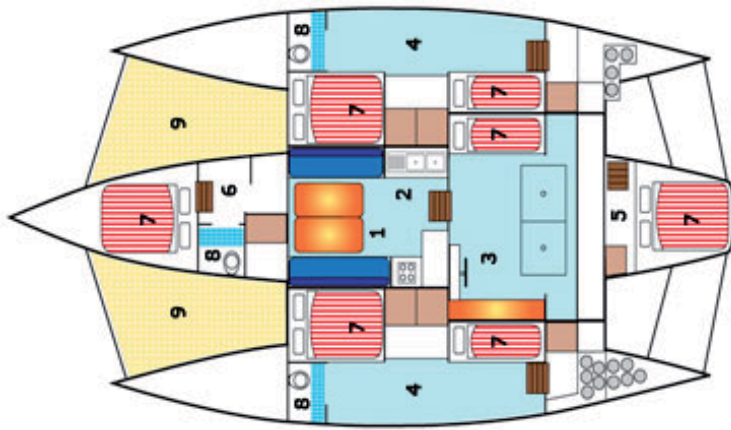

On the main deck coach roof you find an airy lounge/seating area, with ample coverage from the sun. A great place for open air lunches end afternoon sun downers with a 360 view of the exclusive beauty of our Asian waters.

The diving platform is located in the back of the yacht, with a separate area for kitting up dive gear.

► Summary

Length	50 ft (15.50 m)
No. of guests	up to 8 guests
Cabins	2 King Cabin with ensuite bathroom, 1 Master Cabin (shared bathroom), 1 State room with ensuite bathroom
